Counting Rhythms

Label the rhythms below with the counting as shown.

eighth notes ->

sixteenth notes ->

(eighth notes and sixteenth notes can be grouped in 2s and in 4s as well as single eighth notes)

= 3 beats
dotted half note

= 2 beats (half note)

= 1 beat (quarter note)

= 1/2 of a beat (eighth note)

= 1/4 of a beat (sixteenth note)

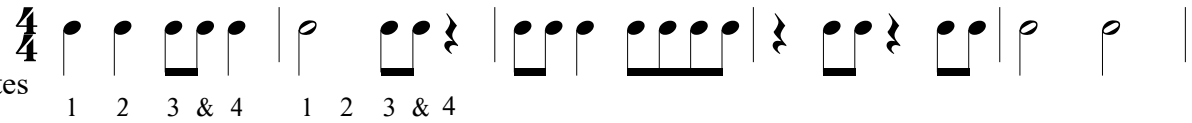
 = 2 beats (half rest)

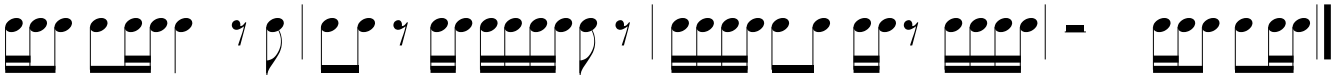
= 1 beat (quarter rest)

= 1/2 of a beat (eighth rest)

= 1/4 of a beat (sixteenth rest)

Continue writing the counting below the notes





When counting rhythms that involve sixteenth notes, you will count them as 1, e, &, a, 2, e, &, a, etc.
