

## Greenville's All County Orchestra

Dear Parents and Students,

We are excited to offer a new opportunity for Greenville County Middle School Students called All County Orchestra! This event will be held Friday, January 27, 2017 at Wade Hampton High School. Students will be selected by audition. The music attached to this paper is what you will play for the audition.

Please practice the audition sheet by yourself and with your teacher. The auditions will be videoed and submitted by your teacher after Winter Break. You will not need to dress up for the audition. In order to audition, you will need to register with your teacher. Your teacher will receive an email with the results.

The All County Orchestra is an Honors Ensemble. It is important that you diligently prepare for your audition. If you are accepted into the ensemble, all students will be asked to thoroughly prepare all music prior to the event, bring your lunch and attend the finale concert on Friday, Jan. 27th, 2017.
